

Embrace Autumn's Beauty on Island Getaways!

As we are going into the last days of August, it's time to recognise that summer vacations are soon ending. But don't worry, adventure still lies ahead! If you're longing for a final enchanting getaway in autumn, imagine enjoying the peaceful beauty of an island escape, feeling the sun's gentle touch on your skin and listening to the calming waves.

Sicily boasts not only of a rich history, with remnants of ancient civilisations dotting its landscape, but also of warm and welcoming locals who are eager to share their traditions with you. Whether you're wandering through the ancient ruins of Agrigento, savouring the delectable Sicilian cuisine in Palermo, or lounging on the sun-kissed beaches of Taormina, every corner of this island has something special to offer. With clinics located in [Paternò](#), [Marsala](#), [Syracuse-Brucoli](#), [Messina-Barcelona Pozzo di Grotto](#), [Sciacca](#) and [Catania](#), you can rest easy knowing that you'll have access to world-class care throughout your journey.

Sites you shouldn't miss!

Selinunte Park, has myth, legend, history, culture and more. A treasure trove from thousands of years ago, yet still so alive, its 270 hectares tell the story of one of the most flourishing classical civilisations of the Mediterranean. Its rich yet still unfolding history attracts tourists, researchers and scholars from across the world.

With its varied and beautiful landscapes, made up of mountains and coastlines with idyllic beaches, a rich culture and history, warm people and inviting customs, a bountiful cuisine and pleasant climate, [Mallorca](#) is a top tourist attraction for visitors from all over the world. In fact, many have called it "The Centre of World Tourism", and not in vain, as the island of Mallorca has become the primary and most important tourist destination in Spain

Sites you shouldn't miss!

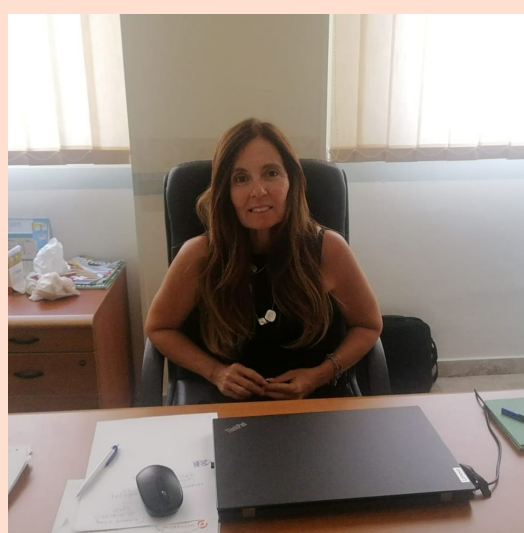

The Drach Caves, located in the village of Porto Cristo, these caves are one of the island's main tourist attractions. With a horizontal development of about 1,200 m in length and depth, the caves hide a large underground lake called Lago Martel, one of the largest of its kind in the world.
